Special Vote: Contract and Plan Modification

SCNA has seen many new successes this year. We believe contracting these dollars is in line with that growth and will help us continue to grow in the future. At the November 10, 2015 neighborhood meeting, we will be asking residents to vote on the following contract and plan modifications.

The SCNA Board recommends to the membership the following, that SCNA

“Contract Phase II B.1.3.1 Senior Program budgeted amount of 424.

Move and contract \$10000 from A.1.1.4 Property Acquisition and Redevelopment into B.1.3.1 Senior Programs,

Move and contract \$10000 from A.1.1.4 Property Acquisition and Redevelopment into F.1.2.1 Implementation Staff and Operating Expense,

Move and contract \$5,000 from A.1.1.4 Property Acquisition and Redevelopment into F.1.3.1 Newsletter/Website.
